- **Can't accomplish what you need to**
- **Tried to be accountable but keep failing**
- **Overwhelmed by increasing expectations and responsibilities**
- **Took the first step, but are stuck on the next ones**

This happens to all of us. I often struggle with accountability, overwhelm, and stuck on the next step. When I get a chance to talk it through with someone, get an outside perspective, and some times gain more knowledge, it can make all the difference. If this is you, sign up for an ***Immediate Impact Call***

This call will enable you to:

**Gain further clarity**

Be held accountable

See the path to your goals so that you can **ignite action** TODAY!

*This call is for people who desire to achieve greater results using a proven strategy!*

Tom Brush is a consultant/coach who partners with leaders and organizations to design strategies to further engagement with their constituencies, effectively manage volunteers and boards, increase donations from individuals, corporations, and foundations, and creatively steward donors.

After spending nearly 25 years working in development and involvement with nonprofits, Tom knows what drives engagement and increases giving.

As the founder of Advancement Designs, Tom has supported nonprofits of all sizes and has strong connections in the higher education advancement industry. Twice he has been on the planning committee of the CASE District II annual conference planning committee. He has regularly presented at conferences and in front of groups large and small. Serving as an Associate Consultant with the Maryland Association of Nonprofits (MANO), Tom holds a Bachelor's degree, an MBA, and has served as president of two nonprofit boards.

As a result of working with Tom, nonprofits have focused their efforts enabling them to spend more time engaging, soliciting and steward their donors generating more support and revenue for their organization.
